Together, We Can Do It!

RGF is proud to announce its strategic partnerships with Habitat for Humanity and the American Cancer Society.

Through our ***Halos for Hope*** program, RGF will donate a portion of sales from the REME HALO® In-Duct Air Purifier, BLU QR® UV stick light, Quad-DM® Ion Generator for In-Duct HVAC units and the Quad-MS® Ion Generator for Mini Split units from April 1st through December 1st, 2017.

"Through our charitable partnerships, Halos for Hope advances our efforts to help build healthy, safe, comfortable and educated communities." Ron Fink CEO/President

Look for this sticker on the product boxes arriving to your store soon.
