Quick Release AC Coil Ultraviolet Treatment System

The Element Air UV stick light has updated features including our exclusive quick release lamp which allows for no tools lamp replacement. It comes standard with four mounting options right in the box, including the easy to install magnetic mount and multiple through plate mounting styles. The Element Air UV is priced very economically and provides UV light disinfection and protection to the AC coil surfaces from bacteria, virus, mold growth and odors. This results in a cleaner and more efficient energy-saving system.
